### **Classes start on March 19, 2016 to prepare for the May 16, 2016 NWEA/MAP Test**

#### **SelectivePrep 5<sup>th</sup> Grade MAP Test Preparation Program**

One third of the Academic Center entrance score is determined by your child's performance on the 5<sup>th</sup> Grade MAP Test. SelectivePrep offers a 12 hour program to help prepare students for this test. The NWEA/MAP test is much more rigorous than either of the major tests – the ISAT or Terra Nova that it replaces.

To qualify to take the Academic Center Admissions Test in 6<sup>th</sup> grade, a minimum of 45% on both Math and Reading is required.

Tuition for the SelectivePrep Program is \$350. A minimum deposit of \$100 is required to hold your spot, with the balance due the first class. Class size is limited to 20 students, so don't delay.

Included in this program are Homework Packets providing extensive content review and exercises. We will also offer Math/Verbal Clinic(s) to provide students with additional review opportunities.

**TO SIGN-UP: Register on-line at [www.selectiveprep.com](http://www.selectiveprep.com) under "Register Now" and choose a 5<sup>th</sup> Grade MAP Class under the "5<sup>th</sup> & 6<sup>th</sup> Grade Programs" button or call us at 312-409-8411.**
