## SelectivePrep 7<sup>th</sup> Grade Standardized Test Preparation Program

Get your child into one of the Chicago Public School's Selective Enrollment High Schools. Competition for admission is fierce and intensifying – last year over 16,000 students applied for about 3,000 available openings.

SelectivePrep offers a 17-hour program to help prepare students for the Spring 2018 Measures of Academic Progress (NWEA/MAP) test that will be used for the 7<sup>th</sup> grade standardized test score. Scores from this test represent **one third** of the Selective Enrollment admissions score. Additionally, scores from this Exam will play a crucial role in determining whether or not a student is admitted to other competitive programs including International Baccalaureate (IB) and advanced magnet high schools.

**To fully prepare students for these more rigorous tests, the SelectivePrep program has incorporated material based on the new tougher Common Core standards into its program.**

The SelectivePrep Program includes:

- **Diagnostic test.** Initial assessment that provides a detailed analysis of individual student strengths/weaknesses.
- **Interactive classroom program.** Comprehensive 17-hour hands-on classroom program tuned to actual NWEA/MAP content.
- **Focused classroom materials.** Rigorous review of NWEA/MAP topics developed by test prep experts.
- **400+ page Study Guide.** Hundreds of review questions (including answers and step by step solutions).
- **Instructor updates.** Regular and specific updates on student performance and in-class quizzes.
- **Practice test review.** Full length administration & review of NWEA/MAP Practice Test topics.

Tuition for the SelectivePrep 7<sup>th</sup> Grade Program is \$450. A minimum deposit of \$100 is required to hold your spot, with the balance due the first class.

***Class size is limited to 20 students, so don't delay.***
